

THE MINT'S ACCESSIBILITY ACTION PLAN PROVIDE YOUR FEEDBACK

The Mint is committed to creating an inclusive environment for all through accessible facilities, programs and services.

Through collaboration and meaningful consultations, the Mint developed its first-ever Accessibility Action Plan to outline this commitment. We hope to continue to leverage your feedback to evaluate our performance, measure achievements and guide any revisions and future plans.

Feedback related to the accessibility of the Mint's facilities, services and programs can be shared through any of the channels below:
