A special collection of five sterling silver coins, created to be interlocking puzzle pieces. Each coin has a unique design and ornamented with Swarovski® crystals.

About the coin design:

About the five coin designs:

- Spring: A flower bud turning into a blooming tree with a light green crystal.
- Summer: Fruit turning into a fully leaved tree with fruits with a yellow crystal.
- Autumn: A single leaf turning into a tree losing leaves with a dark red crystal.
- Winter: A single snowflake turning into a frosted tree and falling snow with a light blue crystal.
- The Seasons: The center coin in your set is The Seasons, which shows a tree crown and the four attributes of the four seasons.
