### The Coin

Fender® has been an innovator of sound since the very beginning! Fender® unveiled its Jazzmaster® guitar in 1958 and reached widespread adoption in unexpected arenas, becoming the go-to guitar during the golden age of surf music in the 1960s. The West Coast's burgeoning surf scene proved the perfect laboratory, and there was no better test pilot than the young Dick Dale, "The King of the Surf Guitar"! This pure silver 1 oz. legal tender coin celebrates the Jazzmaster's bombastic sound with a nod to Surf Rock!
